

Muse room divider

Technical information sheet

Basic info

Design Salih Teskeredžić

Body Solid oak

Dividers Elastic cotton rope

Legs Stainless steel

Technical features

Body

Muse room divider frame and shelves are made out of solid wood - oak. Vertical dividers are stiffened with hand-tied elastic cotton ropes, which besides constructive purpose, provide side support for books and other items on the shelves.

Finish

Available in two plant-based Hardwax oil finishes (colors), which retains wood natural state, as a white or natural oil.

Legs

Leveling legs are made out of stainless steel.

Cleaning

Please see Product or Material page on our website.

Wood material

Solid oak

White oil

Natural oil

Notes to consider

The dimensions shown in this document are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes, for these reasons deviations from the specified size may occur, usually no more than 1 cm.

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

For all additional inquiries regarding the Muse room divider please feel free to contact us.
