APIALES 7 PLAFOND
brushed brass / optic gold

Design: Sofie Refer, 2022

The Apiales 7 Plafond is a new addition to the Apiales collection. The close-fitting glass globes are reflected in the golden finish ceiling plate, creating an abundance of delicate reflections of light. The simple design of the lamp complements the detailed expression of the optic glass globes. Suitable for rooms with lower ceilings and in smaller rooms where a chandelier expression is desired.
