Technical features

Body
Ena bed body structure is entirely made out of solid wood - oak. Frame sides have characteristic 45 degree angle joints connected with metal brackets.

Headboard
Demountable headboard is upholstered in white microfiber fabric with solid oak edging. Options without headboard are also available on request.

Finish
Solid wood finish is available in two plant-based Hardwax oil finishes (colors), which retains wood natural state, as a white or natural oil.

Cleaning
Please see Product or Material page on our website.

Notes to consider

The dimensions shown in this document are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes, for these reasons deviations from the specified size may occur, usually no more than 1 cm.

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

Bed internal frame width = mattress nomenclature width + 1 cm; internal frame depth = mattress nomenclature depth + 1 cm.

Ena bed options without headboard are also available on request.

Mattresses and slats

Mattresses and slats are not included in the Ena bed, while the basic slats (6 cm high) are available on request.

Slats available on request come in two separate parts and are combined together in one bed frame (dimensions of each part is 1/2 bed internal frame width).

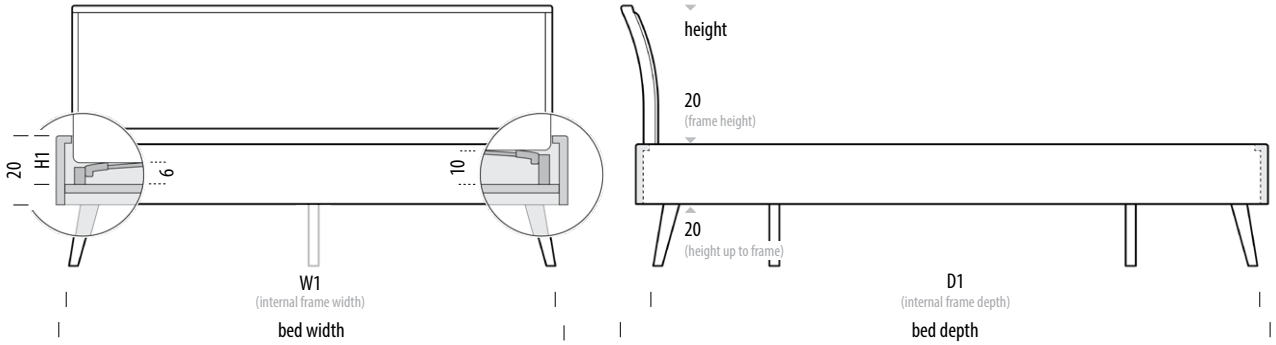

For all aditional inquiries regarding Ena bed please feel free to contact us.
