

Ena modular wardrobe units

Technical information sheet

Basic info

Design Salih Teskeredžić

Body Solid oak

Fronts MDF - White

Technical features

Body

Wardrobe modules (six different products - four wide and two narrow elements) consist of shelves compartments, clothes hanger areas and drawers.

Storage unit body, as well as all inside shelves and drawer boxes, are made of solid wood - oak, except thin storage unit back panel and drawer bottom panels which are made of high-density fiberboard.

Finish

Available in two plant-based Hardwax oil finishes (colors), which retains wood natural state, as a white or natural oil.

Fronts

Storage unit and drawer front panels are made out of MDF medium-density fiberboard (wooden fibre panels made with high temperature pressing technology) coated in white enamel color.

Cleaning

Please see Product or Material page on our website.

Notes to consider

The dimensions shown in this document are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes, for these reasons deviations from the specified size may occur, usually no more than 1 cm.

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

The Ena wardrobe modules are quite heavy, please take this into account when ordering, transporting and lifting products.

For all additional inquiries regarding Ena modular wardrobe units please feel free to contact us.

Reference - Internal storage symbols

Space C - Compartment
D - Drawer

Position U - Upper
M - Middle
B - Bottom
R - Right
L - Left

e.g. C-UR | Compartment - upper right
D-BL | Drawer - bottom left
