

COLOUR CABINET

Design by Muller Van Severen

Colour Cabinet

Designed for HAY by Belgian visual artists and designers Fien Muller and Hannes Van Severen, the Colour Cabinet collection highlights the contradictory interplay between clean, minimalist design and the vibrance and originality of colour. With functionality as a starting point, the designers explore how contrasts and similarities in materials and colours optimally enhance and showcase the material's natural beauty in furniture items. Its versatile design and numerous options make it suitable for a wide variety of storage and display uses in many different private and public contexts.

Colour Cabinet Design by Muller Van Severen

Muller Van Severen was founded in 2011 by Belgian artist duo Fien Muller and Hannes Van Severen. The couple has always been on an inspired quest for sculpturally interesting furniture objects, and their work sits somewhere between design and art, drawing on their passion for architecture and materials.

They have won countless awards and collaborated with prestigious international museums and international galleries. For HAY, Muller Van Severen has designed the Two-Colour Table, the Arcs Lamp Shades, the Arcs Candleholder and Vase and Colour Cabinet.

The Colour Cabinet Collection is a series of floor standing and wall-hanging cabinets that highlight the contradictory interplay between clean, minimalist design with the vibrance and originality of colour.

The colours for Colour Cabinet are carefully selected to ensure they penetrate the very core of the object.

The designers focus on the use of materials to explore contrasts and similarities.

COLOUR CABINET

DESIGN BY MULLER VAN SEVEREN, 2022

Designed by Belgian designers Muller Van Severen, the Colour Cabinet collection is a series of floor standing and wall-hanging cabinets that highlight the contradictory interplay between clean, minimalist design with the vibrance and originality of colour. With functionality as a starting point, the designers focus on the use of materials to explore contrasts and similarities in the materials and colours used, showcasing the materials' natural beauty in essential furniture items. The cabinet body is crafted in organically dyed Valchromat – a unique kind of robust MDF material that is FSC-certified, with the supporting frame made in durable steel. The Colour Cabinets are available in a wide range of different variants and sizes, in both mono- and multi-colour options – from a single wall cupboard to a low media storage unit to a multi-shelf cabinet with sliding glass doors. Its versatile design and numerous options make it suitable for a wide variety of storage and display uses in many different private and public contexts.

HIGHLIGHTS

- Collection of floor standing and wall-hanging cabinets.
- Minimalistic design with the vibrance and originality of colour.
- Available in a wide range of different variants and sizes, in both mono- and multi-colour options.
- The cabinet body is crafted in organically dyed Valchromat – a unique kind of robust MDF material that is FSC-certified.
- Suitable for a wide variety of storage and display uses in many different private and public contexts.
- Qualified for contract use.

MATERIALS

CABINET

Panels in UV lacquered Valchromat.
 Edges with water-based lacquer.
 Visible wood fibres.

STEEL FRAME

Powder coated steel tube frame.
 High gloss 90. For floor standing cabinets.

GLASS DOORS

Tempered reeded clear glass.

GLIDERS

PP gliders. For floor standing cabinets.

CONSTRUCTION

Pre-assembled cabinet construction of Valchromat panels. Floor standing cabinets feature a welded steel tube construction. Requires assembly onto the cabinet. Tall version requires wall mount. Wall-hanging cabinets feature aluminium rails for wall assembly and require assembly onto the wall. Sliding doors are tempered reeded glass. Requires assembly into the cabinet.

COUNTRY OF ORIGIN

Denmark

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

CERTIFICATES

FSC™ LABEL MIX

Made from FSC™-certified wood and other controlled materials.

TESTS

EN 16121:2013+A1:2017,

Non-domestic storage furniture - Requirements for safety, strength, durability and stability.

1 General according to Test severity 1.

ANSI BIFMA X5.9-2019

American National Standard For Office Furnishings – Storage Units.

WARRANTY

HAY provides a 5-year product warranty.

Please contact the HAY sales team for further information about the warranty terms and conditions.

CARE & MAINTENANCE

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture. Find the guide at hay.com.
