

NERD BAR STOOL

DAVID GECKELER ON THE DESIGN "The Danish simplicity and the iconic expression are combined with a classic perception of a solid bar stool. The shape of Nerd barstool invites the user to sit on the stool from several angles, helped by the soft, curvy plywood shell. The low backrest of the bar stool gives a pleasant support and comfort."

DESIGNED BY / YEAR OF DESIGN

David Geckeler / 2013

ABOUT THE DESIGNER

David Geckeler studied industrial design in Berlin and Copenhagen. Currently, he is exploring the wider area of industrial design, focusing on furniture, interior, tableware & lighting. His chair design "Nerd" was honoured by Beckers International Design Award 2011 and is the winner of Muuto Talent Award 2012.

CATEGORY

Bar Stool

ENVIRONMENT

Indoor

COUNTRY OF PRODUCTION

Latvia
