

A black metal outdoor dining set, consisting of a long rectangular table and several chairs, is arranged on a wooden deck. The set is positioned in front of a dense green hedge, with the ocean visible in the background under a clear sky. The table has three black spherical finials along its length. The chairs have a curved, slatted design. The scene is brightly lit, casting shadows on the deck.

HAY

## PALISSADE

Designed by French brothers Ronan and Erwan Bouroullec, Palissade is a collection of outdoor furniture for HAY in powder coated or hot galvanised steel.

United by a common principle of symmetrical geometry, the Palissade collection is engineered to reproduce the same visual simplicity and core strength throughout. Designed in colour and form to integrate effortlessly into a natural landscape or urban setting, Palissade is intended to be used over a longer period of time and become more beautiful over the years. The collection is suited to a wide variety of environments, from cafés and restaurants to gardens, terraces and balconies.
