Technical features

Body

Ena desk storage body, as well as all inside drawer boxes, are made of solid wood - oak, except drawer bottom panels which are made of high-density fiberboard.

Legs

Demountable legs and are also made out of solid oak.

Finish

Available in two plant-based Hardwax oil finishes (colors), which retains wood natural state, as a white or natural oil.

Fronts

Front drawer panels are made out of MDF medium-density fiberboard (wooden fibre panels made with high temperature pressing technology) coated in white enamel color.

Cleaning

Please see Product or Material page on our website.

Notes to consider

The dimensions shown in this document are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes, for these reasons deviations from the specified size may occur, usually no more than 1 cm.

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.
