

POST WALL LAMP

EARNEST STUDIO ON THE DESIGN "The Post Wall Lamp came from the idea of exploring the flexibility of the magnetic joint, giving the user the freedom to position and dim the light unit according to individual needs. Designed with a sculptural expression, simple lines and a refined finish, the Post Wall Lamp represents a new perspective through its graphic character and forward-thinking functionality. Arrange the cord in linear or playful formations using its cable drop. Use the Post Wall Lamp on its own or add additional units to the power hub to create elegant ambient or task lighting."

ABOUT THE DESIGNER

Earnest Studio was founded by American-born, Rotterdam-based designer Rachel Griffin. With a background in graphic design, she spent five years producing exhibitions and books before moving to the Netherlands to study at the Design Academy Eindhoven in 2007. She launched her own studio in 2012, with a focus on furniture, lighting and accessories.

Wall Lamp

ENVIRONMENT

Indoor

DESCRIPTION

An innovative modular lighting design with an archetypal appearance, graphic character and forward-thinking functionalities. Position, dim and turn the lighting unit according to individual needs. Arrange the cord of the design in linear or playful formations, using its cable drop. Additional lighting units can be purchased as spare part and plugged into power hub.

PRODUCTION PROCESS

The lamp head is pressure die-casted in magnesium, polished and powder coated. The Power hub is made from injection molded plastic and powder coated. The mounting accessories are machined and powder coated.

MATERIAL

Lighting unit in powder coated magnesium with silicone cord and acrylic opal diffuser. Wall mounting bracket in powder coated steel. Wall cable drops in powder coated steel with magnet and repositionable adhesive tape. Power hub in powder coated plastic with PVC cord.

SPARE PARTS

Additional lighting units and wall cable drops available as spare parts. Up to three lighting units can be plugged to a power hub.

CORD LENGTH

250cm / 98.4"

BULB INCLUDED

Yes. Integrated non-replaceable LED

DIMMABLE FUNCTION

Yes

CLEANING AND CARE

Clean with soft dry cloth only. Always switch off electricity supply before cleaning.

POST WALL LAMP

LAMP RATING

Voltage	100-240V
Frequency	50/60Hz
IP Rating	IP20
Classification	Class II
Socket	Integrated LED Max. 74W (one lighting unit incl. powerhub)

BULB SPECIFICATION

Item	Non-replaceable LED
Watt	6.1W
Lumen	330 lm
Kelvin	2700K
Lumen	
Maintenance (70%)	54.000h
CRI	90
Dimmable	Yes
Risk Group	Except

ENERGY CLASSIFICATION

A
